

Those lederhosen are looking a little loose -- let this deal be the feather in your trilby hat and fill up like it's Oktoberfest: For \$13, get a flight of beer and an appetizer of your choice at Tyrolean Inn Restaurant (a \$24 value).

Though we are nestled in the beautiful Santa Cruz Mountains, you'll feel like you've been transported to the Alps amidst the strains of traditional Bavarian folk music and the roar of a crackling fireplace at our quaint Ben Lomond chalet. Come and sample gourmet German beers on tap like Warsteiner and Erdinger. And, choose from an array of authentic appetizers like the würstelgrösti -- four different types of sausage sliced and sautéed with onions, tomatoes, and bell peppers. Wish yourself "guten appetit!" before this deal speeds away on the autobahn.

Flight of Beer and an Appetizer for \$13 (a \$24 value).
